DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on February 16, 2010 has been entered.

Claims 1-92 have been canceled.

Claims 93-103 are pending in the instant application.

Applicant's response and amendments received February 16, 2010 have overcome all prior grounds of objection and rejection.

Specifically, the objection to independent claims 93 and 103 has been withdrawn in view of applicant's claim amendments to insert the word "protein" between "osteoprotegerin binding" and "of SEQ ID NO:".

Additionally, applicant has supplied evidence in the form of declarations and affidavits which provide evidence that the antibodies claimed in the instant application bind to epitopes of osteoprotegerin binding protein which are distinct from epitopes bound by antibodies claimed in both previously issued and presently copending applications. Thus, the double patenting rejections have been withdrawn.

Claims 93-103 are allowable.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Szperka whose telephone number is (571)272-2934. The examiner can normally be reached on M-F 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla can be reached on 571-272-0735. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
